

## Tableware

## HEPP Hollowware

*HEPP* is the inventor of hotel silverware and has been producing cutlery and hollowware for more than 145 years. With modern manufacturing and stringent quality control, *HEPP*'s focus has always been to provide the highest quality material with a gleaming silver surface. *HEPP* designs are beautifully elegant and stylish - traditional and contemporary.

*HEPP*'s hollowware is manufactured with the utmost care and attention to detail, providing exceptional functionality and durability without sacrificing design. *HEPP*'s pieces add an element of class to any environment: table, bar or buffet.
